

URGENT PRAYER NEEDED FOR BOLIVIA
[Edited by the mtwla.org Webmaster]

January 11, 2007

Tonight Cochabamba is a city under siege. Violence has erupted and come into Cochabamba. This all began early this week, and the violence erupted today as there were confrontations between opposing groups. As of now, four people are dead and over 100 are wounded. The three main roads going in and out of Cochabamba are blockaded so that nothing goes in or out. There are also reports of unrest now in La Paz. The army has been called in finally late this afternoon to try and quell the unrest here in Cochabamba. In my opinion, the Lord needs to intervene in a momentous and marvelous way. We are asking you to pray for Bolivia. Pray for her peace. Pray for justice in the Lord's eyes to be established. Pray for souls to turn to Christ and be saved. Pray for God to transform this land into a country where He is honored and worshipped and glorified. We thank you for these prayers which we know you will faithfully present to the Father for the sake of the souls of Bolivia.

Yours in Christ Jesus,

Earl (Rosie and Carla)
