**Update and Urgent Prayer Request - Continued**

Dear Friends and Family,

After much prayer and consultation with my Belize Dr., Team leader, and my Dr. in the US, I will be flying home tomorrow rather than Saturday and will see my Dr. Saturday morning. Thank you for your prayers. I am much more at peace with this tonight than I was earlier in the day. My team has been very helpful in taking care of me and helping me get packed to leave sooner than expected. I would greatly appreciate your prayers tomorrow for clear roads (we've had much flooding here from weeks of rain), comfort, and safe travel. It will be a long, uncomfortable day. I will send an update once my doctor has been able to evaluate the situation. I thank God for each one of you.

In His Hands,

Jean Giles
