

Peru, Perhaps

March - April 2005

This has become a passage that God has used in our lives to teach us to be utterly dependent upon Him.

“May I not say, ‘Today or tomorrow I will go to this or that city’...for I do not even know what my life will be tomorrow. Instead, let me say, ‘If the Lord wills, I will live and do this or that.’ --- James 4:13-16

God is asking us to simply trust, and he will take care of the rest. His timing is the best!

A TESTIMONY TO GOD’S FAITHFULNESS

Over the past month or so we have been traveling throughout Florida, returned home briefly than jumped on a plane for Little Rock and St. Louis. It has been utterly amazing to see how God has so provided for our every need. He has led us to people and Churches that have encouraged us and cared for us as if we were their own family. God has been showing His faithfulness to us in one of the greatest ways possible, through our brothers and sisters in Christ. We have been so embraced by the Body of Christ on this trip, and are in awe of how God has ministered to us. God is at work in and through His people, to bring about His Kingdom and for His Glory. Thank you all for the ways that you have ministered to us.

Prayer Please

Pray for Kayla. Her health as we travel and that she won't be bitter at us later for dragging her all over the place

Pray that Amanda and I will continue to grow in our marriage as there is so much going on around us.

Pray that God will continue to raise up people willing to join with us in our ministry.

Above all pray that God will work in amazing ways in Lima and around the World to bring His people unto Himself.

MONEY MATTERS

If you have given a one-time gift or considered supporting our ministry, would you think and pray about whether you could make a monthly, quarterly or annual pledge? Even if you can't send the money now, a pledge in faith would get us closer to our goal of getting to Peru.

We are about **65%** of the way there right now and praying towards leaving the end of the summer

If you are interested in submitting a pledge, you can either call our advisor/coach Barbara Jones at the MTW office 678-832-0004 x217 and e-mail bjones@mtw.org or write to Mission to the World P.O. Box 116284 Atlanta, GA 30368-6284. Our account # is 016579. If you want to contact us, our number is 305-667-0746 or e-mail: kaylagoestoperu@aol.com.

We are blessed and encouraged by your faithful friendship, prayers and support. Thank you all for being part of the Ministry that God has called us to in Lima. We are humbled and delighted by your care for us.

In Christ Alone, Jeremy, Amanda and Kayla Ross

Here are a couple of pictures just for fun. They were taken at Pensacola Beach during our visit a few weeks ago.
