From the Tongues and Hands of Children

(Children praying at the Day of Prayer for Children at Risk)

June 5th was the Worldwide Day of Prayer for Children at Risk. We had the privilege of leading a Children's Sunday School class in prayer for children all over the world who are in difficult situations, from children of war to street kids to orphans. It was a beautiful blessing to hear the prayers of these children and to know that God responds to the prayers of His children.

These same children and many more attended the Vacation Bible School of Granada Presbyterian Church in Coral Gables, FL. Their missions project this year was our team's ministry to the at risk children in Lima, Peru. These kids raised \$500 to help us get to Peru! Once again, God is surprising us in the ways He provides for us. It was so fun to see these children bring in money each day and pray for the kids of Lima.

And if this church had not done quite enough for us, their Pre-School also raised money along with their children's and youth Sunday School classes. The children of this church have led the way in supporting us and praying for us. We feel overwhelmed by their generosity and their big hearts for missions and especially the kids in Lima.

Granada has been an amazing testimony to us of the church caring for its body. We have felt welcomed, carried along and enabled for the task that God has given us. We are living across the street from the church in their missionary apartments. We have been blessed by their Spanish congregation and many lifelong friendships there. One of the adult Sunday School classes has chosen to "adopt" us and is available for whatever we need.

Thank you, Granada family, for your sacrifices on our behalf. Thank you, children of Granada, for being an example to us of what God has called each of us to do. You are a part of the Great Commission, and what a joy it is to see God's blessings flowing from the tongues and hands of children.

(money raised by the children's Sunday School classes- they collected change in these "Street Child Change Houses")

MONEY MATTERS

We are now at 80% of our total monthly support pledged! Praise the Lord! We need \$1,500 more per month. We are waiting on God's timing of when we can leave.

Thank you for your continued prayers offered on our behalf. We see the Lord working. We see His promises fulfilled each day.
In Christ, Jeremy, Amanda and Kayla Ross
