The Ross Family Update

September 2008

**“Not to us O Lord, not to us  
but to your name be the glory, because of  
your love and faithfulness.”**

**Psalm 115: 1**

## PRAISE REPORT

-Once again, the Lord has proven His faithfulness to us. In our last update, you heard of our financial need. We are overjoyed to report that God more than met the need through His body, our brothers and sisters in Christ who prayed and gave. It seems that God never tires of surprising us with His overwhelming grace and provision even in the midst of economic challenges.

-In January and February 2008, we were given the privilege of sharing the Gospel with girls and their babies at a home for pregnant teens called “La Reina de la Paz.” You have joined us in praying for months that the Mother in charge would allow us to return so that we could continue discipling the new believers and to continue sharing and loving on these girls and their beautiful babies. This month, God answered that prayer, and we are now able to meet with these girls every other Saturday. We have gone back twice so far, and it is complete delight to be reunited with our friends, some who accepted Christ earlier in the year, and to see how their children have grown. Keep praying! God is doing a mighty work there.

## Prayer Requests

-The Committee to Mission to the World is meeting this week and will let us know at the beginning of next week if our Project Request for the “House of Glory” girl’s home has been approved. If so, we will have an account number for this ministry and be able to officially begin raising support for it.

*Please pray for this project’s approval and for God’s provision as we begin looking for a place to buy and convert into the girl’s home.*

-We had a wonderful visit from Sam and Anne Ross, Jeremy’s parents this past week. Praise the Lord for a great break and a trip to the mountains where we could enjoy some sunny days, warm weather, and God’s creation.

*Please pray for us as we get back into the swing of things and as we get close to the holidays, that God would care for us in the homesick moments and missing family and friends..*

-We’re having a baby GIRL! Due January 29<sup>th</sup>. Praise the Lord for an ultrasound that allowed us as a family to see God’s wonderful miracle of life as our new daughter kicked around and looked at us—everything looks great!

*Please pray for continued safety and health for the baby and Amanda over these next few months.*

We are dancing in His presence this month as we consider His amazing mercies, so many direct and specific answers to prayer along with those surprise blessings that leave us once again in awe of our beautiful Savior and His many good gifts.

With Joy,  
Jeremy and Amanda Ross
