

HOUSE of GLORY

a home for at-risk teen girls and their babies

Dear Friends and Family,

As you may know, we are hoping to open the House of Glory, a home for at-risk teen girls who are pregnant or have babies, early in 2009. With the opening right around the corner, we need your prayers. To receive a bi-monthly prayer update, you can email one of our interns at anne_langhorne@baylor.edu.

A few things to pray for right now:

- finding staff members hand-picked by God for this work!
- becoming legalized by the Peruvian government (please pray for our lawyers in this process)
- preparation of daily programming for the girls
- a building to rent for the first few years (we're hoping to find a place in Salamanca near our church)
- wisdom and discernment for the leadership of the home
- finances for the running of the home this year- we are about halfway there! (e-mail us to find out more about our budget and needs for this year)

Also, there is a lot of spreading the word to do in the US! If you are interested in getting the word out to your community, we have information packets with brochures and videos on the House of Glory* ready to be mailed to you or your church! If you would like to get more involved in the House of Glory, we are putting together a team in the States to help us. We would love for you to share your gifts (anything from helping build a website to setting up a fundraiser in your city)!

Just send an email to anne_langhorne@baylor.edu or call Anne at (305) 283- 7041.

Thank you so much for your investment God's work here in Lima and for being a part of the House of Glory through your prayers and support. We are so excited to see what He has planned for this year!

Grace and Peace through our Lord Jesus,

Jeremy and Amanda Ross
